Amazon Replenishment

Client managed: (you tell us when and how much to send):

- **No Additional Charge**
- All items are prepped upon receipt by default. Client must request storage units to remain unprepped.
- Receiving charges apply upon receipt to the entire shipment.
- Standard prep fee will apply when item is prepped, you wont pay for the prep until item is sent to Amazon.

PrimeTime Prep Managed: (PrimeTime will monitor inventory we have stored for you):

- We will utilize software capabilities to determine when and how much inventory to send to Amazon.
- All shipments will be authorized by the client before prep and shipping begins.
- Starting at **\$39/month** for 10 or fewer ASIN's.
